Dear DUSs,

The [2025–2026 Handbook for Directors of Undergraduate Studies in Yale College](#) is now available online. This publication provides detailed information about the responsibilities of the DUS, as well as contact information should questions arise. Of note, the deadline to submit changes to the major or new certificate proposals is the end of the fall term.

Additionally, the [2025-2026 Handbook for Instructors of Undergraduates in Yale College](#) is available online. Please share this link with your faculty, particularly faculty members new to Yale College.

We hope you find these handbooks helpful as the academic year begins.
