Outstanding Readers Reports and Changes

Dear Colleagues,

The deadline for dissertation readers to submit their report is Friday, October 31, 2025. All readers have been emailed a reminder email with the link to their report.

Please follow up with readers with outstanding reports. You can view your department's reader reports by accessing the NOR (Notification of Readers form).

- Click on the tab "View Readers Report Summary" to see a list of students and their readers.
- If the reader has submitted a report, their name will be underlined, and the rating will appear (D, VG, G, F or N/A). Click on the reader's name to view their detailed report.
- If the reader's name is not underlined, they have not completed their report.

Submitting Changes to the Dissertation:

- The deadline for students to submit changes to their dissertation is November 15, 2025.
- The student's Adviser or DGS must send an email to dissertationreaders@yale.edu stating that the changes are minor or editorial and not substantive to the dissertation.
- Once the edits are approved, the student will receive an email asking them to upload a new PDF of their dissertation in the DPRS system.

If you have any questions or concerns, please let us know. Thank you for your assistance.

Sincerely,
