ACCELERATION:

I have read the rules governing acceleration in the *Yale College Programs of Study*. As an accelerating student, I understand the required pattern of attendance governing my use of acceleration credits: the seventh and final term of enrollment for a one-term accelerant, and the sixth and final term for a two-term accelerant, must be a spring term. I understand also that I am not permitted to apply outside credits toward the 36-course-credit requirement for graduation.

Acceleration by One Term	*Minimum Total Course Credits*	*Minimum Yale Credits*	*Activated Acceleration Credits*
In the third term	12	8	4
In the fourth term	16	12	4
In the fifth term	21	17	4
In the sixth term	26	22	4

ACCELERATION BY ONE TERM I hereby confirm that I meet the eligibility requirements given above:

I am currently in my (check one) ☐ 3rd ☐ 4th ☐ 5th ☐ 6th term of enrollment in Yale College.

☐ I have been awarded at least 4 acceleration credits.

☐ I have earned _____ Yale course credits (excluding outside credit) by the beginning of my current term at Yale, which meets or exceeds the "Minimum Yale Credits" given in the chart above.

☐ I request permission to accelerate by one term.

Acceleration by Two Terms	*Minimum Total Course Credits*	*Minimum Yale Credits*	*Activated Acceleration Credits*
In the third term	17	8	9
In the fourth term	21	12	9
In the fifth term	26	17	9

ACCELERATION BY TWO TERMS I hereby confirm that I meet the eligibility requirements given above:

I am currently in my (check one) ☐ 3rd ☐ 4th ☐ 5th term of enrollment in Yale College.

☐ I have been awarded at least 9 acceleration credits.

☐ I have earned _____ Yale course credits (excluding outside credit) by the beginning of my current term at Yale, which meets or exceeds the "Minimum Yale Credits" given in the chart above.

☐ I request permission to accelerate by two terms.

This petition is due at the office of your Residential College Dean no later than 5 p.m. on the last day of classes in the respective term of enrollment given above. Note that no exception can be made to the rules governing the use of acceleration credits and no extension of the deadline is possible.
