2022–2023 Course Selection Planning

Dear Incoming Students,

On behalf of the University Registrar's Office, welcome to Yale. Over the next four years you will hear from our office about matters related to registration and course enrollment.

As you prepare to join us on campus, keep in mind the following dates and information related to course selection for fall 2022. To help you get started with course selection, here are some things you need to know about the course catalog and your course schedule. Your residential college dean and college adviser will go over this information with you in more detail.

Reviewing Course Information and Pre-planning

- The [Yale College Programs of Study](#) (YCPS), the undergraduate catalog, contains detailed descriptions of majors, links to course listings, and academic policies.
- View course listings and create planning schedule worksheets in [Yale Course Search](#) (YCS).
- Many introductory courses taken by first-year students require a placement test, registration application, or other action before the term begins. In early August, refer to the [Preference Selection and Limited Enrollment Courses](#) page for information and deadlines.
- [Yale Hub](#) is your one-stop resource for academic and campus information.

Creating Course Schedules

You will create your official course schedule and enroll in courses through the registration worksheet in [Yale Course Search](#) (YCS).

- **August 9, 9:00 a.m. (Tuesday)** – [Preference Selection](#) opens for First-Year students to rank their choice of multi-section course offerings and limited enrollment seminars.
- **August 15, 5:00 p.m. (Monday)** – Preference Selection closes.

- **August 29, 3:00 p.m. – 5:00 p.m. (Monday)** – Registration worksheets open in YCS for First-Year students to enroll in courses. Exact times will be announced closer to First-Year Orientation activities.
- **August 31, 9:00 a.m. (Wednesday)** – Classes begin. Add/Drop period begins for all students.
- **September 7, 5:00 p.m. (Wednesday)** – Add/Drop period ends for all students.

More detailed information will be provided as we get closer to the August course enrollment dates. In the meantime, helpful resources and instructions can be found on the [University Registrar's Office registration website](#). We recommend familiarizing yourself with YCS worksheet icons and error messages.

Best wishes for the remainder of your summer. We look forward to seeing you on campus.

Sincerely,

Emily Shandley
University Registrar
