Advising Flag Deadline: August 14

Dear DGSes and DGS Assistants,

Log in to Faculty Student Advising (FSA) by **Sunday, August 14th**, and set the Advising Required indicator for your students.

- The indicator instructs students to meet with their adviser prior to selecting courses.
- Setting the indicator to “Yes” does not prevent students from entering Online Course Selection (OCS) or submitting their worksheets.

If you have questions about FSA, address them to registrar.gsas@yale.edu.

Thank you for your assistance in preparing for the opening of the term.

Sincerely,

University Registrar’s Office
