What to Expect

- Canvas Rosters –
  - All students who have officially enrolled in a course will appear with a “student” status on their Canvas roster.
  - Students who have not yet officially enrolled in a course will appear with a “visitor” status on their Canvas roster.
• Instructor Permission Requests – You may receive an automated email notification alerting you that permission to enroll in your course has been requested by a student. To understand why and how to manage requests, review instructions here.

Resources

• Course Demand Statistics will display overall demand for your course and can be filtered to show enrolled students, visitors, or both. Clicking on a course will provide additional details.
• Instructions, deadlines, and FAQs related to Yale College course enrollment can be found on the University Registrar's Office registration website.

Best wishes for a successful start of term.

Sincerely,
