Evaluate Your First-Half-Term Courses Now

Dear Student,

Online Course Evaluation (OCE) is now open for fall first-half-term courses and will remain available until Monday, October 31, 2022. You are encouraged to evaluate first-half-term courses now, as you will not be able to submit an evaluation for any of these courses at the end of term.

Important information about course evaluations:

1. Your responses are anonymous.
2. A course is eligible for online evaluation when at least five students are enrolled in a Yale College course or four students are enrolled in a Graduate School course.
3. Other students will be able to view the answers to questions 1 through 9.
4. Evaluations for half-term courses are available for viewing at the end of the term.
5. Common questions about OCE are answered on the FAQ page.

Course evaluations are important to your instructors for the assessment of teaching methods. They are also important to other students, who may use evaluations in planning their course schedules.

Best wishes for the rest of the term,

University Registrar's Office
