Using Degree Audit for SP23 Advising and Graduation Clearance

Dear Directors of Undergraduate Studies,

Degree Audit is the system for graduating seniors. While your majors are registering for spring 2023, please check their Degree Audits to see their progress in the major. Be sure audits are as up-to-date as possible with exceptions and notes before the spring term begins so students can adjust their schedules during add/drop period if needed.

For assistance with Degree Audit consult with your department administrator or contact daria.vanderveer@yale.edu.

Sincerely,
