Dear Colleagues,

Add/drop period is now open for Yale College and Graduate School students to make adjustments to their spring schedule. Add/drop period will close at 5:00 p.m. (ET), Monday, January 23.

Reminder

- Automated waitlisting will end at 5:00 p.m. (ET), Friday, January 13. After this time, students may enroll only if a seat becomes available. There will be no email notifications of vacant seats.
- Your Canvas roster is the best source for an up-to-date list of registered students. Enrollment lists on Canvas include all students who added a course to their schedule worksheets. If a student is officially enrolled in your course, they will appear on your Canvas roster with a "Student" status. Persons on your roster with a "Visitor" status have not officially enrolled.
- You should receive a daily email reminder if you have pending requests from students to enroll in your course if instructor permission is required. Please review these requests regularly. Information about how to respond to these requests may be found here.

Resources

- Additional course enrollment information and instructions can be found on the University Registrar’s Office registration website. See also at the website, links to Registrar’s Office Hours for add/drop related questions.

Best wishes for the spring term,

University Registrar’s Office
