Submit Missing Graduate School Grades – Fall 2022

Dear Professor Pullen,

Please log into Faculty Grade Submission, select "fall 2022" from the drop-down menu, and enter missing grades. To identify the missing grades for a particular course, highlight the course and select “Not Graded” from the Grading Status drop-down list.

Grades for fall 2022 graduate students were due Tuesday, January 3rd. All students must receive a grade, including those who take courses SAT/UNSAT, Audit, or yearlong. If a student wishes to petition for an extension to complete fall-term coursework, the student must submit a Request for Temporary Incomplete for your approval.

Any grades not submitted by Friday, January 27, will be converted to a Permanent Incomplete (I).

Thank you for your prompt attention to this matter.
