Dear Yale Graduate Student,

Course registration for the Fall 2023 term is now open through 5:00 p.m. on Friday, April 28. Log in to Yale Hub to access the registration system.

Please reference the attached instructions on how to log in and use the system. You may also visit our registration website for more detailed information, instructions, and FAQs.

If you plan to register for a directed or individual studies course for which you will be requesting a customized course title, you will need to follow the instructions found here. This is a two-step process: 1) Submit the request form and then, once your department provides the course’s approved title and CRN to you via email, 2) Add the course to your schedule using the CRN provided. You will not be registered for the course without completing this process. If the course is not approved during open registration you will need to add the course during the add/drop period.

In addition, the University Registrar’s Office will hold office hours over Zoom on the following dates and times.

- April 18, 9:00 a.m. – 10:00 a.m.
- April 20, 3:00 p.m. – 4:00 p.m.
- April 25, 4:00 p.m. – 5:00 p.m.
- April 28, 11:00 a.m. – 12:00 p.m.

Students approved for registration In Absentia, Parental Relief, Leave of Absence, and Dissertation Completion status are not required to register for spring classes.

Sincerely,
