Grades for May Graduates are Due 5 p.m. Today

Dear Instructor,

Final grades for May graduates are due by **5:00 p.m. today, May 12**. These grades are used to determine whether graduating students have met their degree requirements.

If you saved grades in Faculty Grade Submission (FGS) but have not submitted them, please complete the submission process today. FGS allows you to submit grades for graduating students and return later to enter and submit any remaining blank grades. Please note all grades you enter will be submitted when you click “submit.” Grade submission is complete when the system displays the following confirmation: “Grades have been submitted successfully.” Also note that grade entries take time to process. If you have already submitted your grade(s) for this course, please ignore this message and do not take any further action.

If you need to request a grade change, open the course roster in FGS and click on the “Forms” link in the upper right corner.

If you have any questions about using FGS, send an email to registrar@yale.edu.

Sincerely,
