Dear Yale College Student,

Add/drop period has begun and registration worksheets are now open in [Yale Course Search](#) (YCS) for you to make adjustments to your fall schedule. Keep in mind the following dates and information.

Note, any seats secured during Preference Selection will appear on your registration worksheet; you are enrolled in those courses.

Remaining Course Enrollment Activities

- **August 30 (Wednesday)** – Classes begin.
- **September 5, 5:00 p.m. (Tuesday)** – Add/drop period ends for all students. Registration worksheets in [YCS](#) close.

Reminders

- You must enroll in at least three course credits and no more than five-and-a-half course credits per [academic regulations](#).
- Discussion and lab sections require simultaneous enrollment in the corresponding lecture course, and vice versa.
- Enrollment in professional school courses requires the additional submission of a [Request to Enroll in Professional School Course form](#). If the request is approved, the University Registrar's Office will apply the appropriate course credit to your schedule.
