## Yale College Students Enrolled in Graduate Level Courses

Dear Instructor,

When a course carries both undergraduate and graduate numbers, Yale College students may enroll in the graduate number, with the understanding that they are expected to complete the graduate-level requirements and be assessed according to graduate-level standards.

To see which Yale College students are enrolled in the graduate number of your course, please see your official class rosters in the [Faculty Grade Submission](#) system (FGS). Send any questions about Yale College students' enrollment in your course to [registrar@yale.edu](mailto:registrar@yale.edu).

Thank you for verifying the students in your courses.

Sincerely,
