Reminder: Spring 2024 Registration Updates and Deadlines

Dear Colleagues,

The spring 2024 registration period closes at 5:00 p.m. on Thursday, December 21. Both Yale College and Graduate School student registration worksheets will be locked at that time and will remain so until the add/drop period opens on January 8 at 8:00 a.m.

- Faculty may continue to review and approve or deny permission requests, but students are not able to add them to or remove them from their schedules until add/drop period opens.
- **Automated waitlisting will end at 5:00 p.m. on Thursday, December 21.** When add/drop opens on January 8, students may only enroll in the courses for which they were waitlisted if a seat becomes available. There will be no email notifications of vacant seats.

Sincerely,

University Registrar's Office
