## Spring 2024 Registration Closes Tomorrow

Dear Yale College and Graduate School Students,

Spring 2024 registration closes at 5:00 p.m. tomorrow, Thursday, December 21.

Yale College registration worksheets in [Yale Course Search](#) and Graduate Student course schedules in [Yale Hub](#) will be locked at that time and will remain so until the add/drop period opens on January 8.

All students should keep the following information in mind before registration closes:

- If you requested permission for any courses, check your status and make any necessary adjustments to your worksheet.
- Faculty will continue to review and approve or deny permission requests, but students will not be able to add them to or remove them from their schedules until add/drop period opens.
- Access your Degree Audit through the [Yale Hub](#) to ensure your planned enrollment applies toward degree and major requirements.
- Automated waitlisting will end at 5:00 p.m. on Thursday, December 21. When add/drop period opens, students may only enroll in the course for which they were waitlisted if a seat becomes available. There will be no email notifications of vacant seats.

Yale College students should also keep this information in mind:

- Enroll in a minimum of three course credits.
- Total enrolled credits are displayed at the top of the registration worksheet. You are only enrolled in a course if there is a black checkmark next to the course. Instructor permission pending and waitlisted courses do not count towards the minimum of three enrolled credits for Yale College students.
- While registration is closed, courses may still be explored using the Canvas worksheet in [Yale](#)

[Course Search](#).

Refer to the [registration website](#) for all dates, instruction, and FAQs.

Best wishes for the end of term,
