WEN Final Exam Reminder

Dear Colleagues,

The [attached message](#) regarding fall final exams was sent to all Yale College instructors. As a reminder, you have the ability to update the final exam status for fall courses directly in CourseLeaf WEN. Please keep the following details in mind:

- A final exam selection should be made for all Yale College courses
- To make a final exam selection in WEN, navigate to the final exam field and select either “Yes, Final during Finals Week” or “No, Final not during Finals Week”
- Based on your selection, WEN will automatically display the exam group that corresponds to the course meeting pattern
- Final exam details will be visible to students and faculty on [Yale Course Search](#) (YCS)

Contact courseleaf@yale.edu if you have questions about updating the final exam status in WEN.

Sincerely,

University Registrar's Office
