Evaluate Your First-Half-Term Courses Now

Dear Student,

[Online Course Evaluation](#) (OCE) is now open for spring first-half-term courses. Course evaluations are important to your instructors and to Yale College for the improvement of teaching. They are also important to other undergraduates, who will be able to view responses to select questions as indicated in the evaluation system.

Important information about course evaluations:

1. Your responses are anonymous.
2. A course is eligible for online evaluation when at least five students are enrolled in a Yale College course or four students are enrolled in a Graduate School course.
3. Evaluations for half-term courses are available for viewing at the end of the term, at which time students will be able to view the answers to questions 1 through 9.
4. Common questions about OCE are answered on the [FAQ page](#).

Please complete your evaluations at your earliest convenience. For more information, refer to the [OCE home page](#).

Best wishes for the rest of the term,
