## Degree Preferred

Dear Yale College Student,

You are receiving this email because our records show that you are completing the requirements of two majors, which may result in your being eligible to receive either a Bachelor of Arts or a Bachelor of Science degree.

In these situations, you may choose which degree you wish to receive. Questions about which degree you are receiving in a given major should be directed to the DUS of that major.

You can check the degree you are currently scheduled to receive by logging in to [Yale Hub](#) and clicking on the "Academics" tab and then on the "Degree Audit" panel.

If your degree audit correctly reflects both your overall degree and the degree requirements you are completing for each major, you need do nothing at this time. Any requests for changes to the degree should be sent to [registrar@yale.edu](mailto:registrar@yale.edu).

The deadline for requesting such changes is April 5. Thank you for your assistance.

Sincerely,
