Registration Office Hours for Students

Dear Yale College and Graduate School Students,

The University Registrar's Office has set up office hours over Zoom for students with registration questions.

[April 17, 2:00 p.m. – 3:00 p.m.](#)

[May 14, 2:00 p.m. – 3:00 p.m.](#)

- Course registration deadlines, instructions, explanations of error messages, FAQs, and a growing library of system tutorials and instructional documentation can be found on the [registration website](#).
- Graduate students approved for registration In Absentia, Parental Relief, Leave of Absence, and Dissertation Completion status are not required to register for spring classes.
- Blue Forms: Several professional schools register on a different timeline than Yale College. You can submit a blue form at any time during registration, however, you might not hear whether you are accepted into the course and whether it will count for a full credit until the add/drop period. See [Blue Forms](#) on the [registration website](#).

Sincerely,

University Registrar's Office
