Dear Yale College Senior,

We have completed processing the information from your major department(s). Because your major offers more than one degree type, we ask that you go to the “Commencement” tab on Yale Hub, click on the “Diploma Name” panel, and check to ensure you are listed for the correct degree (bachelor of arts or bachelor of science). Contact us immediately if you believe the degree is incorrect. Thank you for your assistance and congratulations!

Sincerely,

University Registrar's Office
