Matric Update Process Run in Banner 1

Dear Colleagues,

Last week, the Matric Update process was completed in BAN1. Fall 2024 records have been created for new incoming students. Check the data for your students and make corrections as necessary. For Yale College, placeholder housing records have been created pending specific housing assignments.

If you have questions about working with this data in Banner, write to registrar@yale.edu.

Thank you for your assistance.

Sincerely,

University Registrar's Office
246 Church Street, 3rd Floor
