## Action Needed: Makeup (ABX) Exams for Spring 2024 Courses

Dear Instructor,

One or more of your students received approval from their residential college dean to postpone a final exam last spring and must now take a makeup exam.

Instructors will need to administer makeup exams themselves. Recommendations and best practices for online exams and proctoring are provided by the [Poorvu Center for Teaching and Learning](#); ~~please contact them if you require assistance administering your exam\*~~. Final grades must be submitted by midterm, October 25, 2024.

Listed below, in alphabetical order by instructor, are the courses and the number of students who need to take each makeup exam.

Thank you in advance for your cooperation.
