Add/drop Period Ends Today

Dear Yale College and Graduate School Students,

Add/drop period ends today, Tuesday, September 10, at 5:00 p.m. (ET). You must have all adjustments made to your fall term schedule by this time.

Reminders

- The Graduate School Course Schedule Change Form will be available tomorrow on the [University Registrar's Office website](#) for you to request course withdrawals and late additions.
- For undergraduates, enrollment in professional school courses requires the additional submission of a [Request to Enroll in a Yale Professional School Course](#). If the request is approved, the University Registrar's Office will apply the appropriate course credit to your schedule, as long as the additional credits do not result in exceeding the maximum of 5.5 course credits allowable for the term.
- For undergraduate students, Online Course Change Notice forms will be available tomorrow on the [University Registrar's Office website](#) for you to request course withdrawals and late additions. The normal \$5 administrative fee will apply to all course withdrawals and late additions, including late adds due to instructor permission granted after add/drop period has closed.

Additional course enrollment information, instructions, and FAQs can be found on the [registration website](#). Review your fall enrollment schedule on [Yale Hub](#) or [Degree Audit](#).

Best wishes for a successful fall term,
