## Official Class Rosters Now Available through FGS

Dear Instructor,

Official class rosters for Yale College and Graduate School courses are available through the [Faculty Grade Submission](#) system (FGS).

Because FGS contains your official class roster, please take a moment to compare it to the students in your course. If discrepancies are found, you must notify students to submit a Course Change Notice form to their residential college dean's office in order to drop or add the course.

Official class rosters can be downloaded and printed from the Grade Entry page in FGS (see the [FGS instructions](#) for assistance).

Thank you for verifying the students in your courses.

Sincerely,
