Deadlines for Spring 2025 Courses

Dear Colleagues,

Canvas Sites will open on Tuesday, October 15. Please be aware that this is the deadline to add cross-listings to courses that have already been offered. It is also the deadline to add distributional designations. All newly proposed courses can still be cross-listed through CIM as long as the approvals are in place before the course is offered. Additionally, the deadline for spring 2025 new course proposals to be reviewed and available for offering before the opening of spring term registration is Thursday, October 24. Courses submitted after the deadline are not guaranteed to be available to be offered in WEN before registration opens.

Sincerely,

University Registrar's Office
