In the Know with YURO - Mid-Term Edition

If you have any requests or suggestions for this newsletter please contact mckenzie.granata@yale.edu.

Announcements

Questions about Distinction in the Major? While any Department Registrar should be able to advise students on which courses apply toward the major (and will therefore be included in the calculation for distinction in the major) we are partnering with Academic Affairs to develop a student-facing video to provide an overview of distinction in the major for students. Stay tuned!

Four-Digit Course Numbers Coming Soon! A few departments are piloting the transition from 3- to 4-digit course numbers effective for the Spring term. You may begin to see some four-digit Yale College or Graduate School courses on your students' Spring registration.

Good to Know

Spring 2025 Yale College Registration Dates

On September 30th the Registrar's Office sent [this message](#) to students, and [this message](#) to faculty and department colleagues advertising spring term registration dates. A full run-down of registration-related dates is available on the [Registration](#) site. Notably, Preference Selection opens Wednesday, October 30th and staggered Registration, starting with Seniors, opens November 18th.

YURO will offer Spring 2025 Registration Assistance

The Spring 2025 registration office hour for students, staff, and faculty will be held on November 21st from 11:00am – noon at <https://yale.zoom.us/j/92596600323>. Please share this far and wide. If there is any need for assistance outside of this time we are happy to accommodate.

Messages Received

The following communications were sent from the University Registrar's Office to campus partners:

- **Final Exams:** On September 30th the Registrar's Office sent [this reminder](#) to instructors to check their final exam dates *for Fall 2025 term courses* carefully and note the policy on when/how final exams must be conducted. The final date for instructors to notify their Department Registrar of any update any course with an "HTBA" (hours to be announced) to the final exam time was October 14. Another message with a reminder about final exam dates and policies will be sent to faculty and students later this month with RCDOs copied.

- **Fall 2024 Term Completers** will receive detailed information pertaining to graduation and receipt of their diplomas in mid-December ([here](#) is a look back at the message sent to last year's FTCs). For questions from FTCs about completion of the degree, verifications, and diplomas please refer them to: our [Diplomas](#) and [Degrees Conferred Mid-Year](#) pages.

RCDOs may wish to remind students and/or faculty of these messages in their communications.

Timely Tips

Handling questions about registering for Professional School courses

- For student questions about navigating professional school registration, pointing them to our [Cross-School Course Registration Processes page](#) is easy and provides school-specific information on how to apply for courses and Yale College credit.
- The [Enrolling in Graduate and Professional School Courses for Credit page](#) continues to be a helpful resource to direct students speculating about whether a course may be approved for any amount of Yale College credit.
- SOM Registration: The SOM page for [Non-SOM students](#) is the best resource for Yale College students considering enrolling in an SOM course, including the registration form.

Handling Questions about Yale College Registration

- We recommend advising students to check for registration holds (which they can

see in the Hub) before the start of registration and can be referred to [this page](#) for details about clearing holds.

- The Registration Resources page (<https://registration.yale.edu/>) holds a wealth of information and resources for students navigating the registration process.

Particularly useful are:

- [Registration FAQs](#)
- [Understanding and Using Registration and Canvas Worksheets \(YC\)](#)
- [Understanding Course Data Statistics](#) and [Understanding Discussion Section Statistics](#)
- [Understanding Registration Error Messages](#) and [Yale Course Search Registration Icons](#)
- [Waitlisting for Courses without Discussion/Lab Sections](#) and [Waitlisting for Discussion/Lab Sections Associated with a Lecture](#)
- Watch [How to Swap Discussion Sections without Removing the Lecture Course](#)

Report Highlights

- The “**Grades Requiring Review**” Jasper - check for students with ABX (or converted to F).
- [Coming & Going](#): Jasper “**VW_Student Reg Status by Term with GPA and Credits Time Away**” - identifying students currently away or planning future time away (outreach for spring registration and housing).
- [Registration-related reports to consider](#):
 - The “**Check_Final_Credits**” brio, sorted by # credits, or the Jasper “**VW_Student Reg Status by Term and Credits**” in the column “Yale Enrolled Credits by Term” can help identify those registered for fewer than 3 credits on the last day of registration (now has financial and billing for housing implications).
 - The Jasper “**All Student_Term_Enrollment_Credits_Check_for_BLANKS**” for students not registered.
- [End of term reports to consider](#):
 - The “**Missing_grades_with_instructor_yale_emails**” brio; the “**Students_with_grades-requiring_review**” brio; the “**Academic Warning Students**” brio (students already on AW);
 - The “**Credit_Count_by_Term_for AW**” brio (saved) - to determine insufficient credits: click “Ignore” for “Past Graded Term(s)” to get ALL past terms credit totals, or enter the most recently concluded term for just that term.
- If you have any questions about these or other reporting needs, please feel free to ask mckenzie.granata@yale.edu

Additional Resources

- [Yale College Calendar with Pertinent Deadlines](#)
- [YC & GSAS Registration Calendar](#)
- [Final Exam Schedule](#) (YURO)
- [Final Exam Schedule](#) (YCPS)

Note: Academic calendars might change over the course of the academic year. It's a good idea to bookmark the calendar pages, rather than print them.
