Launching the New Argos Reporting Tool

Dear Professional School Registrars,

On behalf of the ITS Reporting Team, I write to inform you that **November 19** will be your kick-off to ARGOS, the new reporting tool designed to enhance your Banner-based operational reporting experience. Information related to the implementation and timeline is [attached](#).

What ARGOS Provides:

- **Empowered Reporting:** Advanced operational reporting features and user-friendly dashboards.
- **Improved Data Quality:** Better analysis and informed decision-making through improved data consistency.
- **Streamlined Workflows:** Everything you need on a single, efficient platform, eliminating the need to juggle multiple reporting tools.
- **Increased Efficiency:** Faster and more accurate responses to inquiries, enhancing critical processes.
- **Enhanced Security:** Safer reporting environment with reliable data protection.

What's Coming Up:

- **Training Sessions:** ITS will kick off the first comprehensive training starting on **November 19**, followed by several sessions on different dates. Stay tuned for the schedule.
- **Ongoing Support:** The ITS Reporting team will be ready to assist you with any questions or concerns.
- **Your Feedback Matters:** Your assessment and comments will help to make ARGOS even better.

Action Items:

- **Mark Your Calendar:** Ensure you can attend the training sessions.
- **Prepare for Launch:** Familiarize yourself with the upcoming training materials.
- **Stay Tuned:** Keep an eye out for updates as we approach the launch date.

Thank you for your dedication and support as we embark on this journey together. If you have any questions, please don't hesitate to reach out at reports.sis@yale.edu.

Sincerely,

Shonna Marshall
University Registrar
