## Action Needed: Degree Audit

Dear DUS,

Now that spring term registration is well under way, we ask that you review the [Degree Audits](#) for your majors to ensure that they are up-to-date and correct. Reviewing audits now will help if you need to alert majors of any necessary changes to their spring term course load.

The University Registrar's Office relies on the audits to clear seniors for their degrees. If students are not cleared in degree audit to graduate, their degree will not be awarded. There will be no other forms used for degree clearance. Non-graduating students rely on their audits as they make their course selections for next spring.

Please contact our office if you have any questions or difficulty updating your audits. Thank you for your assistance with this essential task.

Sincerely,

University Registrar's Office
