## Action Needed: Review and Update Missing Requirements in Degree Audit

Dear Yale College Senior,

According to your degree audit, you are not on track to complete your degree requirements in time for the May 19<sup>th</sup> Commencement. This could be because you have a second major or certificate that you no longer intend to complete. If so, please take the following actions **no later than the end of Reading Period (May 1)**:

Students can now **drop a second major and certificate** within the [Declare Major, Concentration within the Major, and Certificate](#) page in [Yale Hub](#). If you need an exception for your degree audit, contact your departmental registrar.

Please direct any questions about your major or certificate to your department, with your residential college dean copied on that email.

Sincerely,

University Registrar's Office
