Follow-up: Review and Update Missing Requirements in Degree Audit

Summary: Please note that you will need to complete your course evaluations before you can access your degree audit. When reaching out to your major department, you don't need to copy your Residential College Dean's Office.

Dear Yale College Senior,

According to your degree audit, you have outstanding requirements. This could be because you have a second major or certificate that you no longer intend to complete.

Up until January 1st, students may **drop a second major and certificate** within the [Declare Major, Concentration within the Major, and Certificate](#) page in [Yale Hub](#). If you need an exception for your degree audit, contact your departmental registrar.

Please direct any questions about your major or certificate to your department.

Sincerely,

University Registrar's Office
