Add/drop Period Closes Today

Dear Yale College and Graduate School Students,

Add/drop period closes today, Wednesday, January 22 at 5:00 p.m. (ET). You must have all adjustments made to your spring term schedule by this time.

Reminders

- The Graduate School Course Schedule Change Form will be available January 23 on the [University Registrar's Office website](#) for students to request course withdrawals and late additions.
- The Yale College Online Course Change Notice form will be available January 23 on the [University Registrar's Office website](#) for students to request course withdrawals and late additions. This also includes late professional school course requests. The normal \$5 administrative fee will apply to all course withdrawals and late additions, including late adds due to instructor permission granted after add/drop period has closed.
- For undergraduates, enrollment in professional school courses requires the additional submission of a [Request to Enroll in a Yale Professional School Course](#) by today. If the request is approved, the University Registrar's Office will apply the appropriate course credit to your schedule, as long as the additional credits do not result in exceeding the maximum of 5.5 course credits allowable for the term.
- Yale College students need to drop professional school courses, as well as Yale College courses, by the dates posted on the [Calendar of Pertinent Deadlines](#) to avoid a W on the transcript (February 4 for first half of the term courses; March 7 for full term courses; April 3 for second half term courses).

Additional course enrollment information, instructions, and FAQs can be found on the [registration website](#). Review your fall enrollment schedule on [Yale Hub](#) or [Degree Audit](#).

Best wishes for a successful fall term,
