## Launch of ARGOS Reporting Tool – Key Information & Next Steps

Dear Department Administrative Assistants and Registrars,

February 24 will mark the launch of ARGOS, a new reporting tool designed to improve operational reporting from Banner and replace Jaspersoft reporting. In collaboration with the ITS reporting team, we provide the following information.

### Key Benefits of ARGOS:

- **Enhanced Reporting:** Advanced reporting features and user-friendly dashboards.
- **Improved Data Quality:** More consistent and reliable data for analysis and decision-making.
- **Simplified Workflows:** A single platform, reducing the need for multiple reporting tools.
- **Increased Efficiency:** Faster, more accurate responses to inquiries.
- **Enhanced Security:** Stronger data protection and security features.

### What to Expect:

- **Training Sessions:** The first training session will be on February 25, with additional sessions to follow. A detailed schedule is forthcoming.
- **Ongoing Support:** The ITS Reporting team will be available to assist with any questions.
- **Feedback Opportunity:** Your input will help refine future ARGOS updates.

### Action Items:

- **Attend Training:** Plan to participate in the training sessions.
- **Review Materials:** Familiarize yourself with upcoming training resources before the launch.
- **Stay Informed:** Jaspersoft will be decommissioned on June 31, 2025. For details on the transition from Jaspersoft to ARGOS, visit <https://reports.sis.yale.edu/jaspersoft>.

Additional information and resources will be provided soon. If you have any questions, please contact
