## Discussion and Lab Section Registration

Dear Colleague,

If your fall course will have a discussion or lab section, complete the [Discussion Section Information form](#) and give it to your departmental registrar by **Thursday, March 27**.

Provide all established section meeting times on the form so that your departmental registrar can enter the days/times in WEN by Tuesday, April 15. Send the form even if there is missing information and email your registrar with any missing meeting time information as soon as possible.

For questions about discussion or lab section setup, write to [registrar@yale.edu](mailto:registrar@yale.edu).

Thank you for your help in this important process.

Sincerely,
