## Registration Office Hour for Students

Dear Yale College and Graduate School Students,

The University Registrar's Office has set up an [office hour over Zoom](#) on April 16, 3:30 p.m. – 4:30 p.m. for students with registration questions.

- Course registration deadlines, instructions, explanations of error messages, FAQs, and a growing library of system tutorials and instructional documentation can be found on the [registration website](#).
- Graduate students approved for registration In Absentia, Parental Relief, Leave of Absence, and Dissertation Completion status are not required to register for spring classes.
- Several professional schools register on a different timeline than Yale College and the Graduate School. Students may register for professional school courses; however, they might not hear whether they are accepted into the course and whether it will count for a full credit until the end of add/drop period. See [Cross-School Course Registration Processes](#) on the University Registrar's Office website for more information.
- **Note:** Students enrolling in cross-listed courses should register for the correct department or school (YC/GSAS) course number. The University Registrar's Office cannot retroactively change the department or school after the last day of the term in which the student was enrolled in the course.

Sincerely,

University Registrar's Office  
246 Church Street, 3rd Floor
