

Registration restrictions can be set on a course offering to include or exclude students within defined restriction types:

<i>Classification:</i> The student's class year	<i>Field of Study – Major:</i> The student's chosen major	<i>Level:</i> The school in which the student is enrolled
---	---	---

Adding Registration Restrictions

1. Log in to WEN. <https://next.catalog.yale.edu/wen/>
2. Navigate to the course you want to edit.
3. *Edit Section* window—click the pencil icon to the right of the *Restrictions* field to begin adding restrictions.

Edit Section – GLOBL 388-01: The Politics of American Foreign Policy (CRN: 10344; CLSS ID: 171)
